

PIT FARM TENNIS CLUB – MISSION STATEMENT

“To provide a vibrant and sustainable tennis club encouraging player development and social tennis in an inclusive and friendly environment”

KEY MISSIONS

- To promote tennis of a good standard through singles, doubles, social and team tennis
- To provide opportunities for all members of all ages and ability to improve and develop their game through individual and group professional coaching and practice sessions
- Where capacity allows or requires, to encourage new members without discrimination whilst retaining a strong core membership
- The club will seek to operate on principles of openness and inclusivity in all its activities
- To provide affordable membership while ensuring the club can continue to be run on a sound financial not-for-profit basis
- To provide social and tennis/fitness-based events for the enjoyment of members of all ages and their families
- To provide a friendly and sociable environment where members and visitors are made to feel welcome
- To provide the best facilities possible including lounge, kitchen and licenced bar within the clubhouse; and the best tennis courts we can afford which should be replaced or resurfaced as needed based on Trade Body (currently SAPCA) recommendations and professional advice
- To the best of our ability maintain the health and safety of our members by ensuring our facilities are safe and well-maintained
- To promote a modern, forward-thinking and evolving committee by encouraging members to volunteer to take a turn on the committee or sub-committees; or assist in another way with the smooth running of the club during the life of their membership when time and opportunity permits
- Encourage junior members to enjoy their tennis through organized coaching sessions and competition; and encourage progression to senior membership through integration for older juniors
