March is also the perfect time to... celebrate our teams' successes!

The **Mixed B Team** – **Ivan, Bridget, Dawn** and **Alex** – recently achieved a fantastic win in the Woking Winter League against Woking Tennis Club. This win should secure the Division 2 title.

Congratulations on a comprehensive and at times clinical win for our **Third/C Mixed Team** in the Woking Winter League against Pirbright. Great play from **Helen, Matt, Alex** and **Richard** ... and a special well done to **Alex** and **Richard** for only dropping two games!

Our **Men's Third Team** also played well in their away match against Oxshott (3-1) in the Wilson Surrey League. A big shout out to **Frank** for filling in at the last minute, as well as to **Doug** and **Baz** for taking a set off a pair who hadn't dropped a set all season. Well played **Frank, Baz, Bob** and **Doug**.

If you are interested in playing for a club team, please get in touch with our new club captain Alex Webb – contact@pitfarmtennis.co.uk

March is also the perfect time to... celebrate our hard-working members!

Member of the Year

After two rounds of voting by the Committee, the result remained a tie between two outstanding candidates. We are therefore delighted to announce two Members of the Year: **Ian Kenyon CBE** and **Gary Wicks**. Congratulations to you both and thank you for your hard work and valued contribution on behalf of the club.

A huge thanks to **Bridget Parker** who is stepping down from her amazing work as Club Captain (but remains on the Committee), to **Gary Wicks** for all his hard work as Head of Ops and to **Jim Holloway** who has been an outstanding Junior Captain for the past three years.

A few words from the Club President **Tim Martin** for departing committee members Jim and Gary:

‘Over the past three years, **Jim’s** contribution to the committee and his leadership as Junior Captain have been nothing short of exceptional. Throughout his time in the role, Jim has demonstrated unwavering commitment, positivity and true professionalism, setting a standard that will be difficult to match. His Regional Volunteer of the Year award was thoroughly deserved – a fitting recognition of everything he has given and the enormous respect he has earned. He will undoubtedly be a hard act to follow. Thank you, Jim.’

‘The sheer volume of work **Gary** has carried out to keep the club running smoothly is remarkable. He has never sought recognition for it, yet his efforts have certainly not gone unnoticed. There have been very few challenges that Gary has not either resolved himself or swiftly set in motion toward a solution. In committee meetings Gary cuts straight to the heart of the issue, expressing his views clearly and concisely. Never driven by sides or agendas, he speaks with integrity, guided simply by what he believes is right for the club. His Member of the Year award is richly deserved. Thank you, Gary.’

March is a great time to... enjoy the clubhouse.

Instructions for our new table tennis table, and the bats and balls to play with, can be found in the coffee table in front of the sofa. We're sure this new addition, along with our pool table, will be much enjoyed by our members in the clubhouse. We would, however, like to remind everyone that clubhouse facilities are there for all to enjoy and should be treated with care and respect. Following some recent damage to the pool table and the loss of several pool balls, we must make clear that any member found deliberately causing damage will be expected to cover the cost of repair or replacement.

March is also a great time to ... enter our Red Ball Tournament

We're excited to announce the 2026 Pit Farm Tennis Club **Red Ball Tournament** for red-ball players! Run by coaches, Richard and William, this two-hour event will be a fantastic opportunity for players to gain valuable match experience in a fun, friendly and supportive environment.

If your child would like to take part, please email Richard at richard@dvorsky.org to register their place.

• Sunday 8 March • 4pm to 6pm • fee – £8

Watch us on YouTube

Spring is finally here... so it's time to smash into the new season and take your game up a level with our FREE coaching sessions on YouTube. Watch **Paul Kozak** break down the backhand, pick up **Ashley Mount's** top tips on mastering your return serve, and explore a series of short, high-impact lessons designed to help you hit cleaner winners and play smarter, more confident matches.

NEW VIDEO - Footwork

Want to become more consistent on court? Start with your feet! Ashley's latest video looks at how so many unforced errors happen not because of poor technique, but because players are still moving when they strike the ball. Hitting on the run without control leaves you off balance, unstable and far less accurate.

The key? Master your footwork and learn to pause at the moment of contact. Set your feet, steady your body and then strike. That small moment of control can make a huge difference to your consistency in every rally.
