We hope this finds you well – please read on for all the latest news and updates from the club.

June is a good month to...

Enjoy the club tournament

Our Club Tournament is really heating up!

A huge congratulations to all the members who have battled their way through to the final stages.

The Finals Weekend will take place on **Saturday 27 June and Sunday 28 June**, with match times to be confirmed in the coming weeks.

To celebrate the finals, all members and their families are warmly invited to a complimentary **BBQ** on Sunday afternoon (28 June). Contributions of salads or desserts would be greatly appreciated, and there will also be a paid bar available throughout the afternoon.

We'd love to see plenty of support at the club, so please do drop in to enjoy the action, cheer on the players and soak up the tournament atmosphere.

Spend longer on the court!

Great news! Our court booking time has been extended from **60 minutes to 90 minutes!**

Play longer and enjoy more time on court with this new, longer-booking window. This new booking time also applies to all Box League and Tournament matches.

When making a booking, don't forget to include all participants' names in the system. If you won't be using your court, please cancel your booking so others can enjoy it.

Huge thanks to **Dawn Davies** for all her work on the e-booking system to make this happen.

Back by popular demand! After the smash hit of our 2025 Pickleball Sessions, **Gary Kemp** is bringing his pop-up courts back to Pit Farm! Finders keepers

Please check the lost property bin (towards back of the clubhouse) and windowsill in the kitchen, if you have lost anything recently at the club - we have quite a collection of clothes, water bottles, even the odd racquet. All items will be removed end of June and be lost forever.

DID YOU KNOW?

Tennis balls are yellow because of Sir David Attenborough! Back in the 1960s, while working as Controller of BBC2, he noticed the traditional white tennis balls were almost impossible to see on colour TV. That helped spark the switch to optic yellow balls in the early 70s, although Wimbledon didn't fully switch to a yellow ball until 1986.

This month take advantage of...

Our ball machine

All members can book our ball machine - located in the shed at the back of court 6. Simply click on the guest panel when you book, and add in the words 'ball machine'. Instructions are on the machine - please take care while using.

SumUp Machine

You can now pay for tennis balls and guest fees on the new SumUp machine which is next to the bar in the clubhouse. Press the button on the right of the device to wake it up. The price for balls and visitor fees are set – simply select one, press charge, then tap with your payment card.

Our guest access

Our playing members are welcome to bring a guest to play with them, but please adhere to the club rules:

- Only one guest per member is permitted at a time.
- Each guest is allowed a maximum of 6 visits a year.
- **The guest's name must be included in the court booking.**
- Please add your guest's name to the visitor book in the clubhouse.
- You will need to pay the guest fee before playing. This can be paid in two ways:

Online:

Bank: Lloyds

Name: Pit Farm (Guildford) Hard Court Tennis

Sort Code: 30-93-74

Account number: 00171127

SumUp Machine (turn to page 4 for how to use)

- The cost is £5.00 for seniors and £2.50 for juniors.
- Members may bring their children for £2.50 per visit, with no limit on the number of visits.

Pit Farm Tennis in the Community

On 9 July, Pit Farm Tennis Club will once again welcome Sandfield School's Year 3 class for an exciting afternoon of tennis, fun and teamwork on court.

Led by Head Coach **Paul Kozak** and his dedicated team of coaches, the children will take part in a range of engaging drills, games and taster activities designed to introduce them to the sport in a relaxed and enjoyable way.

This fantastic annual initiative, organised by Pit Farm member **Jim Holloway**, aims to give local children the opportunity to experience tennis — especially those who may not otherwise have access to the game. Beyond simply introducing the sport, the programme also helps identify young players with potential who would benefit from joining our junior programme. Selected children will be offered sponsored places throughout Years 4, 5 and 6, giving them the chance to develop both their skills and confidence on court.

Previous year's sponsored players have made tremendous progress and are thoroughly enjoying being part of the club — something we're incredibly proud to see continue.

June is the perfect time to...

Improve your game!

Pick up new tennis skills and explore the excellent range of coaching options available at the club with **Paul Kozak** and **Ashley Mount**.

From personalised one-to-one coaching to relaxed, social pay-as-you-go group sessions, we offer a variety of sessions designed to suit all ages and abilities. Available to members and non-members.

Please note the Wednesday evening and Thursday morning Intermediate coaching sessions are now both mixed sessions.
