

LTA CODE OF CONDUCT

This Code of Conduct is issued by Lawn Tennis Association Limited (“**LTA**”), the governing body of the game of tennis (including lawn tennis and padel tennis) in Great Britain, the Channel Islands and the Isle of Man (“**Game**”).

Am I covered by this Code of Conduct? This Code of Conduct applies to all Participants in the Game, including all players, those who are supporting players (including parents), coaches, officials and volunteers, amongst many others, when engaging or participating in or with the Game on or off the court. For a full list of “**Participants**” covered by this Code of Conduct, please refer to paragraph 2 of Part A of the LTA Disciplinary Code¹.

What is the purpose of this Code of Conduct? The purpose is to set out the standards of conduct that are expected and required of Participants. These standards reflect the LTA’s vision to open tennis up, the LTA’s mission to grow tennis by making it more relevant, accessible, welcoming and enjoyable and the LTA’s inclusion strategy, as well as reflecting generally recognised standards of disciplined and good sporting behaviour.

Which standards apply to me?

You will see that this Code of Conduct is arranged so that the standards which apply to every Participant (irrespective of their role or participation in the Game) are set out first and then, for certain Participant groups, additional more specific standards are set out which are applicable to that particular group. Please ensure that you are familiar with all standards applicable to you and note that not being aware of a standard will not be an acceptable reason for not complying.

What are the consequences of not complying?

If you do not comply with any one or more of the standards set out in this Code of Conduct, then it may constitute “Misconduct” or “Prohibited Conduct” (in terms of the LTA Disciplinary Code) and/or be a breach of contractual obligations or of other relevant regulations (such as the LTA Competition Regulations², the LTA Coach Accreditation Regulations³, the LTA Official Licensing Regulations³ and/or the LTA Venue Registration Regulations⁵) and so may result in the LTA bringing disciplinary proceedings or taking other action against you.
